

REFLECTIONS ON 2020 AND HOPE FOR BEYOND!

TO ALL OUR VALUED CLIENTS, STAFF, ASSOCIATES, PARTNERS, WE WOULD LIKE TO START OFF BY WISHING EVERYONE A WELL-DESERVED FESTIVE BREAK AND A HAPPY & HEALTHY NEW YEAR.

2020 has been a year most of us would be very happy to see the back of, there has been loss and suffering across the globe on an unprecedented scale.

We have all had to make unimaginable sacrifices in the most inconceivable of ways in our private lives and at work. Source to Site Group (Orlight & Orcomm) would like to take this opportunity to thank all our loyal staff and clients for your continued support through these difficult times and on a positive note we can hopefully all look forward to a more normalised year ahead!

Our staff have worked tirelessly and selflessly from their offices (at the start of the year) and then remotely from home and then in some cases back at their offices to not only ensure we are able to operate as normally as possible delivering the products and services we have come to expect but also there has been a real drive to double down on our efforts to advance in our progression in many fields so that we do not concede in any way to the year of the pandemic!

Detailed below are some of the achievements we managed as a group during the course of 2020

FIRE RATED

DOWNLIGHTS ACHIEVE FIRE RATING FOR OPEN WEB, IJOISTS & TIMBER FRAME BUILDINGS

We conducted 7 fire tests throughout 2020 in all of the above scenarios using 21 retrofit downlights ranges with 9 Lightsource types including a GU10. In essence you can now select your downlight and accompanying light source safe in the knowledge that they will meet your legal requirements whilst not compromising on product aesthetics. We believe our selection of fire rated products provides the largest choice by far.

I JOISTS

30 mins, 12 x Downlight
with Gu10, 1 x 12.5 mm
Plasterboard Layer

60 mins, 12 x Downlight
with Gu10, 2 x 12.5 mm
Plasterboard Layer

SOLID JOISTS

30 mins, 7 x Downlight
with Gu10, 1 x 12.5 mm
Plasterboard Layer

90 mins, 8 x Downlight with
Engines and 6 x Solid State
Luminaires, 3 x 12.5 mm
Plasterboard Layer

OPEN WEB

30 mins, 10 x Downlight
with Gu10, 1 x 12.5 mm
Plasterboard Layer

60 mins, 10 x Downlight
with Gu10, 2 x 12.5 mm
Plasterboard Layer

LUMENPLUS-3

WE HAVE DONATED £25,000 TO STROKE ASSOCIATION IN 2020! WHO DO SOME INCREDIBLE WORK ACROSS OUR COMMUNITIES FOR STROKE VICTIMS AND THIER FAMILIES.

Each year 100,000 people have a stroke in the UK, meaning stroke strikes every five minutes.

The Stroke Association founded in 1992 provide specialist research and fund critical campaigns to make sure people affected by stroke get the very best care and support to rebuild their lives.

Rebuilding lives after a stroke is a team effort. It takes the determination of stroke survivors and carers, the generosity of supporters and the dedication of the healthcare and research communities to get there.

Stroke Association provide a wide range of services to those who rely on the charity. The services include Art Therapy, a dedicated Stroke helpline, fundraising events and support groups.

Our company donation for 2020 will enable 2,500 stroke survivors to attend an art therapy group which helps to rebuild confidence for stroke survivors.

Association

WE HAVE TAKEN ADVANTAGE OF GOVERNMENT LED SENIOR LEADERSHIP WORKSHOPS AND ARE PUTTING THROUGH PEOPLE WITHIN OUR BUSINESS WHO WANT TO DEVELOP THESE SKILLSETS.

WE BELIEVE IN TRAINING OUR STAFF AND OFFERING ADVANCEMENT THROUGH PERSONAL DEVELOPMENT PROGRAMS

- + SENIOR LEADERSHIP IN THE WORKPLACE**
- + CILEX LEGAL COURSE**
- + CIPD LEVEL 5**
- + CSCS**

The Chartered Institute of Legal Executives (CILEx) is the professional association for 20,000 Chartered Legal Executive lawyers, paralegals and other legal practitioners in England and Wales. For more than 50 years, we have been offering unparalleled access to a flexible career in law. We work closely with Government and the Ministry of Justice and are recognised in England and Wales as one of the three core approved regulators of the legal profession alongside barristers and solicitors.

CIPD

The Chartered Institute of Personnel Development (CIPD) is the main professional body to accredit and award professional human resources (HR) qualifications. As a business, this is a key feature in the continuous development of professional practice for our business and employees.

ORLIGHT HAVE RENEWED OUR MEMBERSHIP WITH ECA

ECA is the UK's leading trade association that represents and supports the interests of businesses and organisations involved in electrotechnical and engineering services design, installation, inspection, testing, maintenance and monitoring across the United Kingdom (excluding Scotland). Since 1901.

MEMBERSHIPS 2020

THE LIA

Orlight is proud to announce we have officially become members of the Lighting Industry Association (LIA). In achieving another milestone, Orlight will be able to benefit from up-to-date advice, technical support, laboratory testing services, staff development, fantastic networking opportunities as well as keeping up with the latest trends within the Lighting Sector. In being LIA members, Orlight looks to continue confidently demonstrating a high standard of quality and service; underlining our commitment to clientele.

DALI ALLIANCE

Orlight has always looked to maintain high standards in its manufacturing and in continuing in the same vein, has now successfully qualified for the DALI ALLIANCE association. Having this membership will now allow Orlight to commence its manufacturing of a new DALI driver which is due to start production imminently; all of which will proudly bear the DALI logo. The association underlines Orlight's commitment to innovation and quality; all at competitive rates for its clientele. You can find out more about our new DALI drivers.

WEEE COMPLIANCE POLICY

Orlight Limited operates a WEEE disposal policy that ensure no landfill or 3rd World disposal whilst maximising environmental sustainability and corporate social responsibility through its methodology.

EEE COMPLIANCE POLICY

Orlight Limited is registered in the UK with the appropriate Environment Agency as a producer of EEE, and operates an EEE policy that has environmental sustainability and demonstrates corporate social responsibility as the foundations of their compliance methodology

COVID ABOVE AND BEYOND

Fast track testing for staff (antigen) with a 2 hour turnaround time from test to result with no limit on test frequency.

LOOKING FORWARD TO 2021

Client portal which will provide you with real time stock figures, status, visibility and traceability of orders from your desktop or handheld source to site app

Orlight and orcomm client experience centre in the city of london featuring our entire range of products under one roof

Orcomm cloud based services which will give clients complete control of their homes from anywhere in the world

State of the art production facility dedicated to the manufacture of commercial lighting products

AND ONE LAST THANK YOU

So with a huge debt of gratitude, we would like to once again thank everyone for supporting us through these difficult times and we look forward to the coming New Year with hope and optimism on what it will bring.

FROM THE ORLIGHT AND ORCOMM TEAM

Happy Holidays

ORLIGHT AND ORCOMM WILL BE CLOSED FROM THURSDAY 24TH DECEMBER 2020
